

times in the past, our team has been in the final game, and seven times we have come in second. This year, the Silver High School Fighting Colts came away with the winner's trophy for the first time in the school's history.

This was accomplished under the leadership of Head Coach David Carrillo and his fine staff, and because of the skill and heart of all those enthusiastic players and their supportive families. They all have the congratulations and good wishes of those of us who have watched the team over the years. Somehow it is reassuring to know that no matter how old we get, we are always Colts.●

#### RECOGNIZING MATRIX HUMAN SERVICES ON ITS 100TH ANNIVERSARY

● Mr. LEVIN. Mr. President, I would like to take this opportunity to recognize Matrix Human Services, one of Michigan's oldest and largest nonprofit social service organizations, as it celebrates 100 years of tireless and dedicated service.

Matrix Human Services was founded in 1906 by a small group of Catholic women, later known as the League of Catholic Women, who recognized a growing need to provide support for low income and at-risk populations in the Detroit Metropolitan area. Over the years as the League's membership continued to grow, it was able to dedicate more resources and personnel to its mission of fostering self-sufficiency and hope to those in need. These efforts ultimately lead to a broadened scope of services that sought to address the growing and diverse needs of the community, which grew into what we now refer to as Matrix Human Services.

Today, Matrix Human Services is a diverse organization with more than 300 staff members and dedicated volunteers, serving 30 locations across the Detroit Metropolitan area. It continues to focus on its mission to help prepare individuals and families to live a more positive, productive and meaningful life. Matrix Human Services has organized educational training, childcare, social work, mentoring, abuse prevention, and housing assistance for the homeless programs. Each year, Matrix is able to serve thousands of individuals through a network of specialized divisions that include Head Start Family Service Center, Project Transition Housing, Walter and May Reuther Senior Services, Barat Child and Family Services, Casa Maria Family Services, Vistas Nuevas Head Start, and Off the Streets.

I know my Senate colleagues join me in congratulating Matrix Human Services on its many years of excellent service and wish its staff, volunteers, and community partners many more productive years of service to the community.●
